

SEAVALE
PATONG PHUKET

A wide-angle photograph of a calm sea under a clear blue sky. The horizon is visible in the distance, and the water is a deep blue with gentle ripples. There are a few small, distant figures on the horizon, and a faint, dark landmass is visible on the left side.

Owne the sea. Live the Vale. Breathe by the sea.

Sea + Vale = Balance

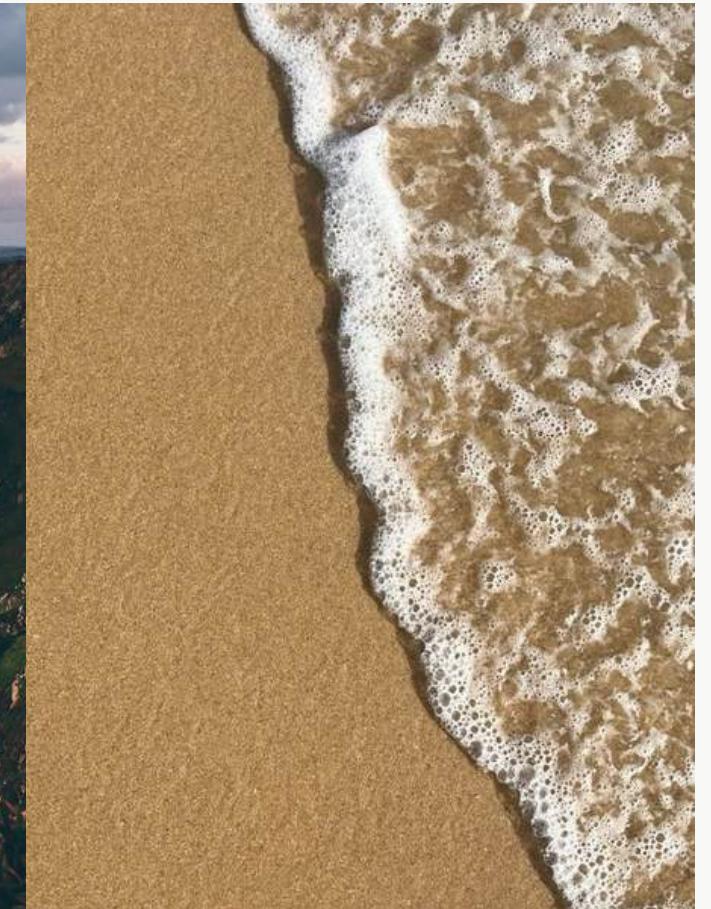

SEAVALE represents the perfect harmony between the endless energy of the sea and the peaceful tranquillity of a protected vale. Here, modern luxury embraces natural serenity.

Every detail is crafted to connect you with the rhythm of the ocean from sunrise reflections on your balcony to sunset views from our infinity pool. This is where your horizon starts.

“Own the sea. Live the Vale. Breathe by the sea.”
